Out of School Hours Care

## LAKELANDS

*The staff at World of Kids FUN-A-RAMA welcomes you and your family. The centre is designed to create an environment of trust, where your children can grow emotionally, intellectually, socially and physically.*

*The educators are responsible for creating an atmosphere and environment which is responsive to the physical, emotional, intellectual, social and special needs of each individual child and to the group as a whole, which reflects the philosophy and goals of the service. The program is child centred, and takes a 'hands on' approach, with staff acting as facilitators who create an environment and experiences which are stimulating, safe, nurturing and fun. The program will include indoor and outdoor learning experiences, quiet and active times, individual, small group and large group times, time for individual staff/child interaction, group interests, children's special interests, and be flexible enough to allow for spontaneity and the unexpected.*

*The program is developed as a result of observations made by the educators during the time the children are at the Centre. Children are encouraged in a positive and supportive manner to explore their environment and try new experiences.*

*You will find your child's program displayed on the pin up board. We invite you to have input into program development especially in relation to multicultural issues, music and storytelling. Any suggestions you have can be discussed with your child's caregiver.*

## Philosophy

FUN-A-RAMA is a safe place that welcomes all children to come and play, make new friends and unwind and enjoy themselves in the transition between school and home. Our skilled and dedicated Educators collaborate with the children to create an environment that is fun and exciting, caters to each child's interests and gives them opportunities to learn and succeed through play and leisure.

We acknowledge the traditional land owners, the Noongar people, and we respect their culture and the contribution they make to the life of the region. We recognise the diversity in our society and embrace the values, cultures and traditions of all children and their families. We strongly believe that each child is an individual with their own unique purpose, and we recognise and support their identities as they become independent and build resilience through meeting life's challenges. Self-expression, being physically active and building and maintaining relationships are qualities we encourage in children.

Supporting children and their families as well as the schools that our children attend is the foundation of our centre. We actively support our community by providing high quality care for local children, sourcing local businesses and visiting places within our community. Sustainable practices are embedded within our service, empowering children to be mindful consumers and take responsibility for their environment on a daily basis.

FUN-A-RAMA employs passionate Educators that are responsive and sensitive to the developmental and emotional needs of school aged children and have the ability to establish respectful relationships with families. Educators participate in continuous professional development, reflective practice and ongoing collaboration with each other to work effectively as a team, implementing the My Time Our Place curriculum.

We endeavour to:

- Encourage children to be healthy in mind, body and spirit through self-expression and individuality, having a variety of choice and equal opportunities,
- Provide opportunities for children to engage with others within their community during Vacation Care when we join with other services to engage in a range of fun excursions and incursions
- Support families in raising their children by maintaining an open line of communication between families, teachers and Educators, as well as providing information on relevant topics
- Assist children to become independent through decision making and being actively involved in developing the program and routines
- Build children's resiliency and sense of agency through supporting them in taking risks, making choices and discovering their inner self.

## **PAYMENT OF FEES**

Our preferred method of payment is via Direct Debit utilising DebitSuccess. The Direct Debit form must be returned alongside enrolment forms prior to start date. Fees are paid one week in advance at all times.

Payments can be scheduled weekly or fortnightly. Please note a monthly payment option is not available. Payments are processed on a Thursday and payments can be flexible based on payment cycle and it is the parents/guardian's responsibility to ensure there is enough money in their account to cover these charges.

In the case of a declined payment, the full declined amount must be paid prior to the date of next payment.

A change of details form can be collected from FUN-A-RAMA if you need to change your personal details or account details. This must be received the Friday prior to your next due DebitSuccess transaction.

Fees are payable for ALL days booked, including any absences due to illness, holidays or public holidays.

If at any stage you have financial difficulties, please speak to the Director as we may be able to provide special assistance or work out a payment plan. If fees lapse by 2 weeks and no special arrangements have been made your child's place will be considered vacant and may be offered to another child.

## **FOOD AND NUTRITION**

*Snacks form a significant part of the Centre routine.*

Please make sure that any food allergies, strong dislikes and/or special dietary requirements your child might have are recorded on the enrolment form and discussed with the Coordinator/Supervisor. We can cater for gluten and dairy free when necessary.

The Centre provides breakfast and prepares afternoon tea during the school term and requires parents to provide a packed lunch for their child including morning and afternoon tea during Vacation Care. The menu will be changed regularly, be nutritionally balanced and reflect a wide variety of cultures. Consideration will also be given to cost effectiveness. Children are often involved in preparing and cooking snacks as part of the planned activity or spontaneous program. Children are taught how to store, prepare and serve food hygienically. Ideas and recipes are welcome. Please put your ideas on the suggestion form on the fridge or pass on to an Educator.

Snack and meal times are treated as social occasions. The staff always sit with the children during meal times to interact with them, provide help where needed and set a positive example for the children.

## **PARENT INVOLVEMENT AND COMMUNICATION**

Parents are our biggest support, we understand that your child/ren attends FUN-A-RAMA as you have work or other commitments and your time is precious. We welcome your encouragement, feedback and assistance, in whatever way fits into your busy schedules. Please email [funaramall@worldofkids.com.au](mailto:funaramall@worldofkids.com.au) or chat to one of our staff. Don't forget to like us on Facebook at World of Kids FUN-A-RAMA and leave suggestions or feedback at any time!

## **HEALTH AND SAFETY**

The application of universal hygiene procedures will be followed at the Centre at all times to control the spread of infection within the Centre. Staff role model a high level of personal hygiene at all times, and place emphasis on the children learning and understanding why hygiene is important. Hand washing is central to this system and children will be asked to wash their hands before all clean tasks (eg. snack time) and after all dirty tasks (eg. after using the toilet).

## **PROMOTING A SUSTAINABLE ENVIRONMENT**

We aim to educate children and promote sustainability within FUN-A-RAMA. This is done by reducing the amount of food, paper and other waste within the centre by providing recycle bins and re-using whatever resources we can such as empty boxes, yoghurt containers and jars, and sending home snap-lock bags to be re-used.

We also encourage children to make sure taps are turned off properly, lights are only turned on when needed and electrical devices such as the television, computers and kitchen appliances are switched off at the power points. We like to encourage the children and staff to take home food scraps to feed to pets such as rabbits and chickens as well as to feed the school's chickens.

We also encourage all families to provide an email address so that accounts/statements, newsletters and other communication between families and the centre can be given via email to cut back on paper usage. Actively promoting sustainability is an ongoing scheme within the centre.

## **IMMUNISATION**

We encourage parents to immunise their children against all diseases appropriate to the child's age. Children who are not immunised will be excluded from care during outbreaks of some infectious diseases in accordance with the National Health & Medical Research Council Exclusion Guidelines, even if the child is well. This is to limit the spread of infection and to protect all children.

Written consent is to be obtained prior to any medications being given to your child and prior to any medical attention required for your child.

For the protection of well children and for the staff, sick children are asked to be excluded from care until the infectious period is over.

In the case of child becoming ill or injured at the Centre, all efforts will be made to contact the parent. If this is not possible, the child will be taken to the Peel Health Campus.

All medication is to be handed to an educator and a medication form completed.

All educators have been advised that unless there is an "Authority to Administer Medication" form completed by the parents, medication will not be given to any child.

In the interest of Occupational Safety and Health, and the well being of the children, the Centre is a smoke-free zone. This includes all indoor and outdoor play areas and anywhere that is within sight of the children. We request that parents adhere to this. Staff are vigilant to identify and remove any hazards that may create a risk to children or themselves. All equipment, toys and play areas are checked regularly to ensure they are clean and safe for children's use.

## **OUTINGS**

Excursions are considered to be an integral part of the children's program and will therefore be arranged to provide a broad range of learning experiences for the children. Permission for walks to the local park, library etc is granted or denied on the enrolment form. For all other excursions, written permission/txt message/email or phone authorisation will be sought from parents and details of the outing provided in writing. A risk assessment will be completed for each excursion/destination to comply with the Education and Care Services Regulations 2012. To ensure a high level of supervision while on excursions we provide brightly coloured arm bands and a FUN-A-RAMA hat that all children are required to wear. Hats are given on the child's first day with us and if they need to be replaced a fee of \$5 will be charged. Children under the age of 7 will also wear a fluoro vest.

You are requested not to send your child on an excursion if they display any signs of being unwell. This is in the interests of everyone concerned.

## **CURRICULUM AT FUN-A-RAMA**

We have embedded The My Time our Place Framework into our curriculum, this ensures all children are given the opportunity to Belong, Be and Become part of FUN-A-RAMA. We appreciate that children are attending school and FUN-A-RAMA is there down time. We promote social interactions, active play, exercise, quiet time, monitored screen time and other relaxation activities that are of interest to the children. We encourage child and parent involvement and document children's learning.

## **PRIORITY OF ACCESS**

*The Commonwealth Government has set specific priorities of access to childcare services.*

The Commonwealth Government requires the Centre to provide access to the service according to the following priorities. This means that when the Centre is full, those families who are third priority may be asked to alter their care arrangements to allow a family with higher priority to access the service.

**First priority:** Children at risk of serious abuse or neglect.

**Second priority:** Children whose parents satisfy the work/training/study test under section 14 of the Family Assistance Act

**Third priority:** Any other child

## **PARENT CONCERNS**
